Baxter Eagles Team Work Wins The Day

Special Notes

- Thanks to Heather for laundering the Guernsey's last week, Juanita is preparing them for us this week. Many thanks to all who clean the strip—a very big effort, most appreciated. The team looks quite impressive thanks to you all.
- We are looking for some volunteers to be our chef's this week on the BBQ—so get into the sausages in bread and enjoy.
- Thanks for all the support for our great team. We can be proud of their efforts, win or lose.

Well, what a match it was at Rosebud last Saturday. All the team played really well and all players are to be congratulated on their team play. You all ran and played extremely hard. Our experienced players led the way and they can be proud of their efforts.

It is clear that practice and enthusiasm and support makes all the difference.

Our coaches drills really paid off this week, thanks Jim.

Thanks also to Daniel and John for their sterling match day drills and coaching on Saturday.

Congratulations Baxter Eagles!

Also, congratulations go to all the Rosebud team as they never gave up even though they were having a lot of goals scored against them. That is what makes a really good team. Please do not forget training this Wednesday 14 May 2008 at

5.00pm. Please be on time as we only have 1 hour to practice.

If you have any transport problems in either attending practice on Wednesday nights or Saturday match days please let us know and we shall try and organize a ride.

Please also let me know if any of the children have not received their copy of the Bayside Sub Junior Rule Book.

Heaps of information and news about our club is available on the Baxter Soccer Club Website.

Next Saturday we shall take a full team photo before the game so it would be great if we had all our players with us.

Baxter Eagles attack the Rosebud Goal

Half Time mandarines and drinks were most welcome after a great first half effort of 5 goals.

ROUND 4, 17 May 2008 Baxter Eagles plays Peninsula Leopards at Baxter.

Kick off at 9.00am but please arrive at least a half an hour before so you can properly stretch and warm up for the game.

As we are the first to play on Saturday it is our responsibility to hang the goal nets and fire up the BBQ. Any assistance would be gratefully appreciated.

Until we meet again, have a good week, practice as much as possible but above all

HAVE FUN !

GO BAXTER EAGLES
